Bright yellow colour with green hue. Elegant nose with spicy character, aromatic herbs and yellow fruit, apple, pear and starfruit. On the palate juicy and crisp with medium weight and rather good length, elegant citrus flavour in the finish.

Young and pale colour, intense and pure nose, beautiful fruit, ripe banana, peach and spicy stonefruit. The palate has an excellent bite, bold and broad with layers of yellow fruit, yet with a salivating freshness and very long persistence, nicely made with good potential.
